Since the 1970s, meetings and incentives have been a reality for Swiss Travel Service, in addition to managing basic programs in Costa Rica. The next step in improving our Meetings & Incentives took place during the 80s and the 90s, when more facilities and new attractions encouraged the development of our original programs throughout the country.

Today our company designs each incentive program individually in order to best achieve your corporate goals, focusing upon extensive research for your company or group profile.

We are proud to provide you with all the expertise and professionalism of our Meetings & Incentives staff. References of our worldwide clients are available upon request.

During 2003, we handled 68 Meetings & Incentives programs with over 5,400 visitors from across the globe. By the end of the 2004 we served 80 groups, totaling 5,500 passengers.

Desde su creación en 1970, el concepto de Incentivos y Reuniones ha sido parte de Swiss Travel Service, ya que desde entonces se operaban programas básicos para este tipo de grupos. Seguidamente, en las décadas de los 80 y 90, Swiss Travel Service desarrolla programas más complejos y completos para Incentivos y Reuniones, debido a mejores facilidades e infraestructura en Costa Rica que permiten la creación de programas atractivos y originales.

Hoy, nuestra empresa diseña cada programa a la medida de acuerdo con las necesidades y metas de cada grupo, a través del análisis exhaustivo de cada solicitud y del perfil del grupo.

Nos sentimos orgullosos de poder ofrecerle un equipo de profesionales experimentados en la realización de programas para Incentivos y Reuniones. Estaremos muy complacidos de brindarle todas las referencias necesarias a solicitud.

Durante el año 2003, manejamos 68 reuniones y programas de incentivos que sumaron 5,400 participantes provenientes de todas partes del mundo. Para finales del 2004 hemos operado 80 grupos para un total de 5500 pasajeros.

Actúa Vesatours DMC, designs, organizes, and executes incentive travel programs for groups and individuals, conferences, day tours, and pre-and post-tours for visitors coming to Costa Rica. However, this definition falls short compared to what we can deliver – unforgettable and rewarding memories for those who undertake a journey with us.

Our objectives are to provide support for your business after thoroughly studying and understanding its drive; to reward great performers, as each individual truly deserves; and to encourage others to reach the excellence standards of their leaders and company.

Actúa Vesatours DMC, diseña, organiza y lleva a cabo programas de viajes de incentivos individuales y grupales, conferencias, tours de un día (excursiones), así como pre y pos tours para turistas que viajan a Costa Rica. Nuestros objetivos son apoyar sus negocios, luego de un cuidadoso estudio realizado con el fin de entender su empuje; reconocer a los colaboradores destacados como cada individuo realmente merece; y motivar a otros a alcanzar estándares de excelencia establecidos por el líder y su compañía.
