GOOD PRACTICES GUIDE FOR TOURISM

Before traveling, review the instructions from the health authorities.

If you decide to travel, it is your responsibility to protect your health and the health of others.

IF YOU GET SICK WHILE TRAVELING, isolate yourself and seek medical assistance as soon as possible.

Avoid shaking hands with other people or touching your face, and try to stay away from crowded places.

1.80 m (6 FT)

Make sure to always maintain the minimum recommended distance of 1.8 m (6 ft) from other people.
