GOOD PRACTICES GUIDE FOR TOURISM

Remember to follow all the established protocols for proper HAND WASHING.

When sneezing or coughing, follow the protocol for coughing and sneezing.

If you visit CROWDED PLACES, remember to use personal protective equipment such as face masks, gloves, face shields, etc.

When entering any facility, remember that THE FIRST THING you must do is wash your hands.

WHEN UNABLE TO MAINTAIN THE SOCIAL DISTANCING RECOMMENDED by the health authorities, make sure to always wear your face mask or shield.
